DRUG AND ALCOHOL TESTING CONSENT

Freya's Cat Rescue recognizes the costs to society and to individuals from drug and alcohol use. The Agency maintains a firm commitment to strive to provide reliable service to its clients and a safe and healthy work environment for its interns/volunteers. While the vast majority of interns/volunteers are not involved with alcohol abuse or illegal drugs, those who are can have an adverse impact on the workplace, as well as their own job performance. To meet our obligations, and to comply with our obligation under the Drug Free Workplace Act of 1988, the following policy has been adopted and will be enforced:

1. The Agency prohibits the unlawful use, sale, possession, manufacture, distribution, or being under the influence of alcohol, drugs or any controlled substance, on Agency property, in the presence of Agency clients, while on duty, during rest periods and break periods, while operating an Agency vehicle or attending an Agency-sponsored event.
2. Interns/Volunteers who violate this prohibition will be subject to disciplinary action, up to and including termination. Nothing in this policy restricts the Agency's right to terminate an intern/volunteer at any time, with or without notice, for any reason not expressly prohibited by law.
3. The agency retains the right to require any intern/volunteer to report for drug and/or alcohol testing for reasonable suspicion or following an accident in which there is injury to persons or damage to property.
4. Interns/volunteers must abide by the terms of this statement and must notify the employer of any criminal drug conviction within five days of the conviction if workplace conduct is involved.
5. New interns/volunteers will be required to report for drug testing after a placement offer has been made but before reporting for the assignment.
6. There is no smoking on premises.

I have read and understand the Drug Free Workplace Compliance Statement. I agree to comply with the **Freya's Cat Rescue** Drug and Alcohol Policy. I understand that any offer of placement with the Agency may be contingent upon the successful completion of drug testing before beginning assignment, and I consent to testing according to **Freya's Cat Rescue** policy.
