

U.S. CONGRESS MAKES IRA CHARITABLE ROLLOVER PERMANENT!

Helping Freya's Cat Rescue will save MORE on your Taxes! This is a fantastic opportunity to help Save Cats Lives and Protect the Outsiders while saving on your taxes. Congress voted to make the IRA Charitable Rollover permanent! This law passes permanent charitable tax giving incentives. The law allows anyone seventy and one half years (70 ½ years) and older to contribute their Minimum Required Distribution from their IRA account (up to \$100,000) directly to a non-profit charity, Freya's Cat Rescue, thereby reducing their yearly taxable income without treating the distribution as taxable income.

To qualify for the IRA charitable rollover, the gift must come directly from the IRA administrator and made payable to Freya's Cat Rescue and mailed to:

Freya's Cat Rescue
P.O. Box 264
Tennent, NJ 07763

Ask your IRA administrator to include in your accompanying documentation, your full name and how you would like your gift to be used.

Thank you for your generous support of Freya's Cat Rescue. Because of you, we are able to help protect the lives of more outsider cats.
